AMENDMENT

Honorable Commissioner of  
Patents and Trademarks,  
Washington, DC 20231

Sir:

Responsive to the Official Action dated January 23, 1997, please enter the following amendments and consider the following remarks.

IN THE CLAIMS:

Please amend the claims as follows:

Claim 1, line 3, change "the density" to --a density--.

4. (Amended) An apparatus[apparatus] for X-ray bone densitometry of [the]a

B1

forearm in which bone densitometry read out is obtained from data relating to an area defined in [the]a radius and/or an ulna so as to have a distal boundary lying distal of [the]a turning point between the radius and the ulna but proximal of [the]a dense cortical region of [the]a.
